

## eZCom CTO Bernard Byrne Wins 2014 “Pros To Know” Award from ‘Supply & Demand Chain Executive’ Magazine

**ENGLEWOOD, NEW JERSEY – March 7, 2014 – eZCom** Software (provider of the cloud-based Electronic Data Interchange solution Lingo® and other supply chain solutions) is pleased to announce that CTO Bernard Byrne has been recognized as a prestigious 2014 Provider “Pro to Know” by *Supply & Demand Chain Executive* magazine, a leading business publication for supply chain professionals.

*Supply & Demand Chain Executive* recognizes Provider Pros who have helped their Supply Chain clients or the Supply Chain community at large prepare to meet the significant challenges in the year ahead.

Bernard Byrne has served as supply chain software provider eZCom’s CTO since the company’s inception in 2001, and developed the EDI (Electronic Data Interchange) platform Lingo™ that eZCom currently offers. He was chosen for his 30 plus years of experience working in the world of EDI, and his key role in the industry’s development on both the retailer and vendor sides. Throughout his career, Mr. Byrne has contributed greatly in terms of developing and standardizing EDI processes. He has worked extensively on both the retailer and vendor sides, giving him a unique ability to simultaneously understand and serve both sets of needs.

“I am honored to be part of this elite group of Provider Pros to Know,” explained Byrne. “Finding smart solutions to challenges in the supply chain are eZCom’s top priority. We help create trading efficiencies that assist vendors and retailers to control costs, manage inventory, and reduce errors. Vendors are able to create and process documents quickly and efficiently in batches through Accelerated Document Processing™ (ADS) — a significant differentiator for any sized business in a tough economy.”

According to Carol Weidner, CEO of eZCom, “Bernard Byrne is not only an asset to our company, but he has played an historic role in the EDI industry, contributing greatly to the processes and standards we know today. I am thrilled that his contributions are being recognized within our industry.”

Now in its 14th year, *Supply & Demand Chain Executive* Pros to Know is an annual listing of individuals who have made a significant impact on behalf of their Supply Chain clients or the Supply Chain community at large. This year’s list includes more than 180 thought leaders who are shaping the industry and advancing Supply Chain as a respected discipline.

### About eZCom

Founded in 2000, eZCom software provides cloud-based B2B supply chain software solutions—including the easy-to-use and streamlined EDI (Electronic Data Interchange) solution, Lingo®. eZCom’s Lingo® simplifies and speeds the trading process, while eZCom’s customer service team exceeds expectations from first inquiry through implementation and sales growth.

Every member of the two-time Stevie award winning eZCom Customer Support Team is a trained EDI professional. Each works on-site at the corporate headquarters in Englewood, NJ to help facilitate collaborative retailer-vendor trading solutions, maintain a high level of technical expertise, and to provide customers with unlimited, personalized, and highly effective education and customer support throughout the EDI process.
